

YOUR HISTORIES

of

NORTH OAKLAND

Sights, Sounds, & People from the Recent to the Deep Past

1. A COUPLE (like 2) months ago, my class (at Glenview)
2. went on a field trip to the golden gate library.
3. I go to the library a lot (and I mean a LOT),
4. so I already knew where all the comics
5. were, and some other stuff (like the librarians).
6. We were introduced to Naomi, and then we
7. got to look for & check out books. I checked
8. out the demigod files & fox trot sundae.
9. drat, I think they're due...
- 10.

Thanks for making history!
